Commission suggested creation of a preliminary form to forward to veterans organizations/associations, Commission could possibly be tasked with reviewing applications. Time frame for developing the program is a concern. Veterans Commission can make program recommendations, implementation of said recommendations falls under Human Services. Councilmember Arredondo Savage suggests Veteran’s Day to debut banner program. Expansion outside of the district would depend on permission given by the City of Tempe. Commission discusses how the public is made aware of the banner program. Downtown Tempe Authority and PIOs could develop promotional efforts to make the public aware of program. Councilmember Arredondo-Savage explains that the Banner program will be a collaborative effort that will include the City of Tempe’s Human Services and Special Events departments, Downtown Tempe Authority, and the Veteran’s Commission. A potential goal is to tie the Veteran’s Day Parade with a sample banner featuring the parade’s longtime coordinator.
